Henare Waitoa wrote the words for "Tomo Mai" in 1946, to welcome back the 28th Maori Battalion after World War II. 'Hoki Mai' is a simplified version, made popular by the Howard Morrison Quartet. The tune is based on the 1938 popular song "Goldmine in the Sky". Thanks to Age Pryor of the Wellington International Ukulele Orchestra, and nzfolksong.org.nz, for these arrangements.
